

Platinum Jubilee bunting

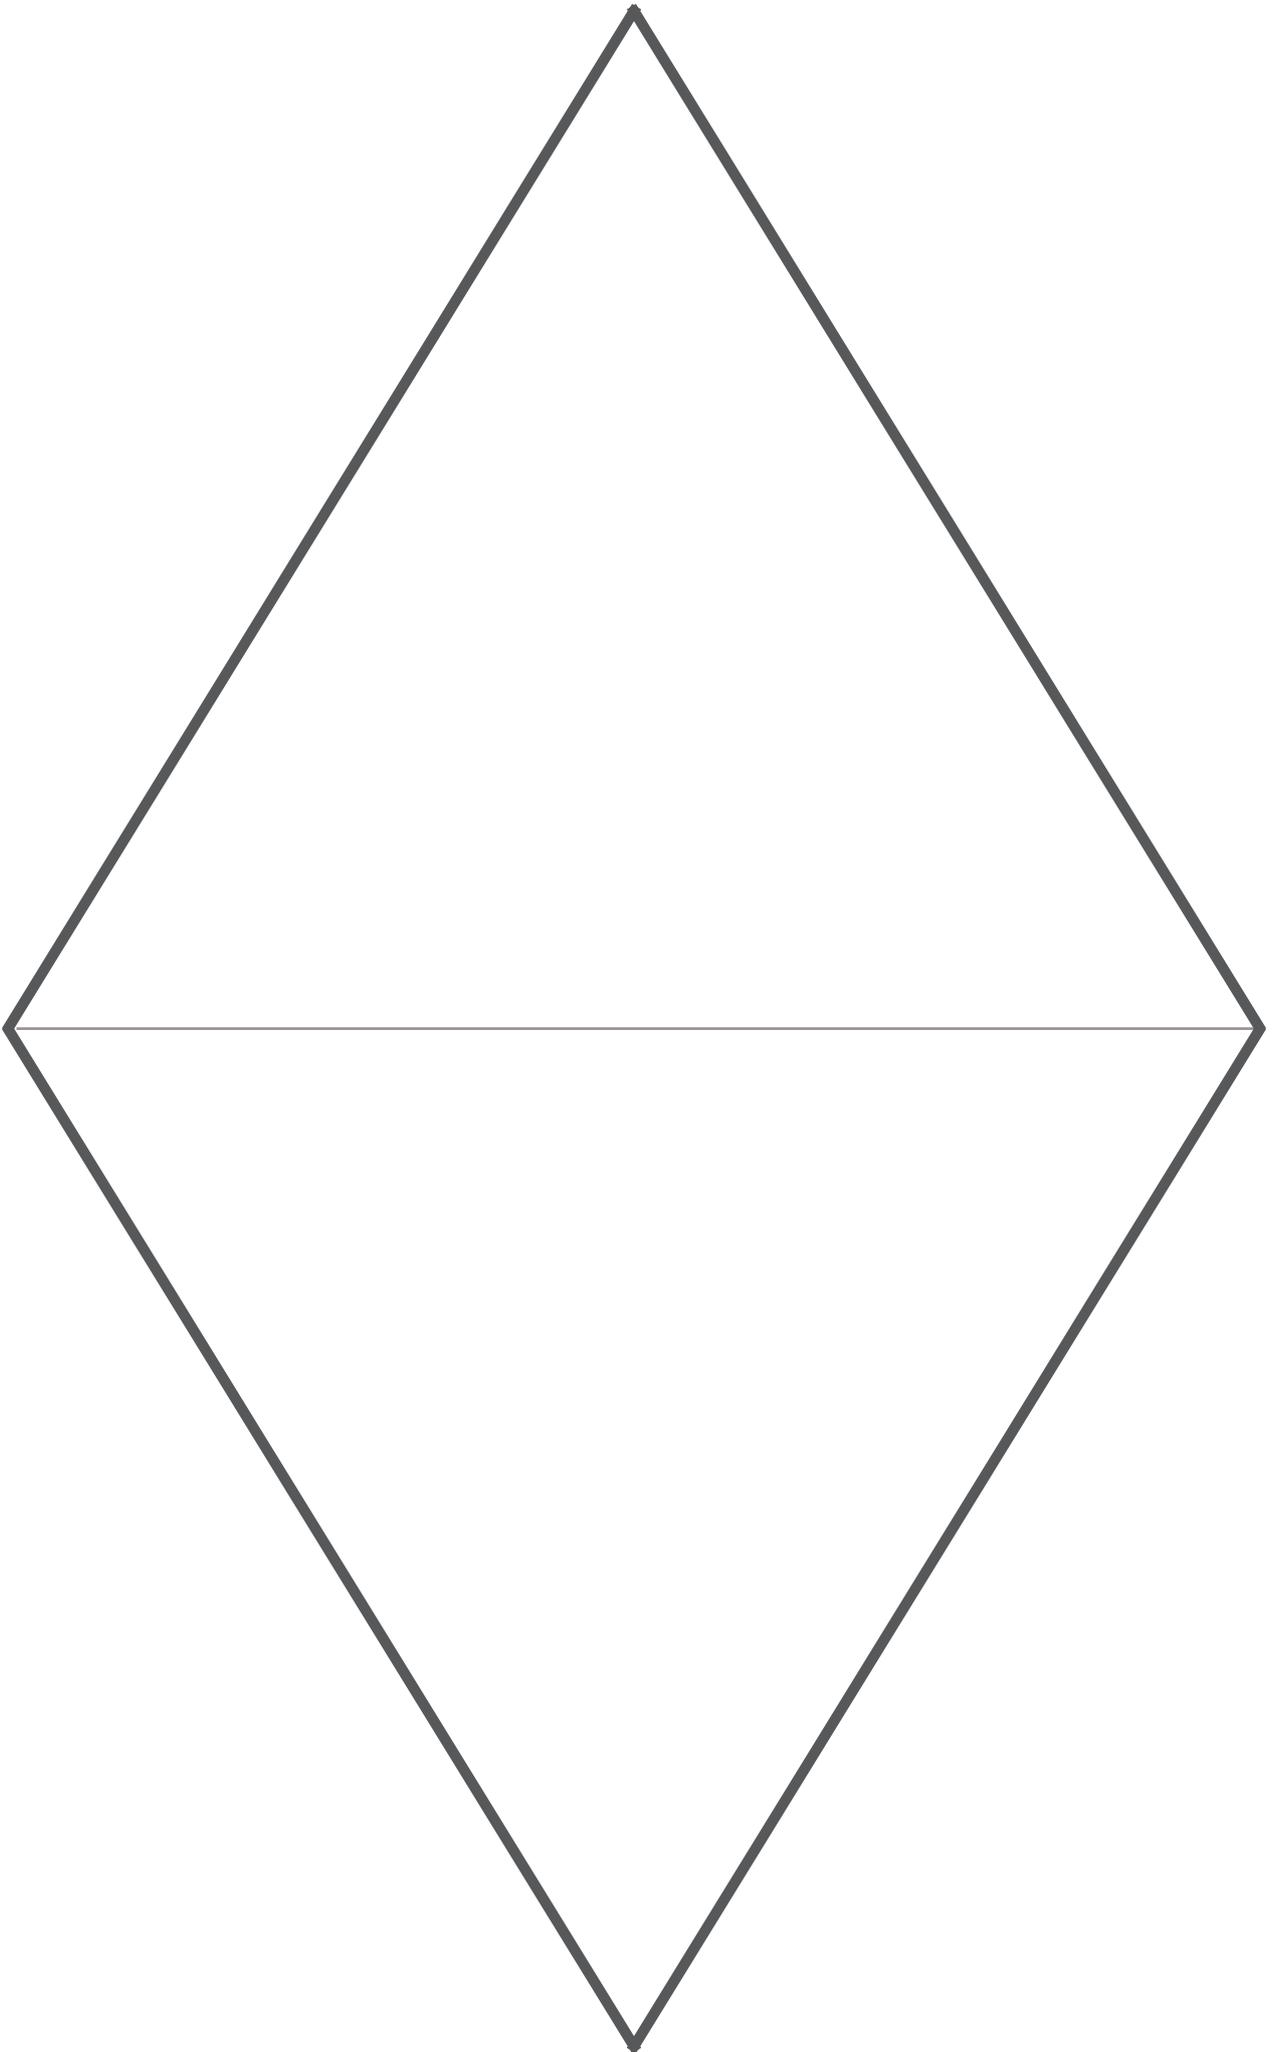

Whether you are celebrating in your classroom, at home or at a street party, decorate your space with this Platinum Jubilee bunting.

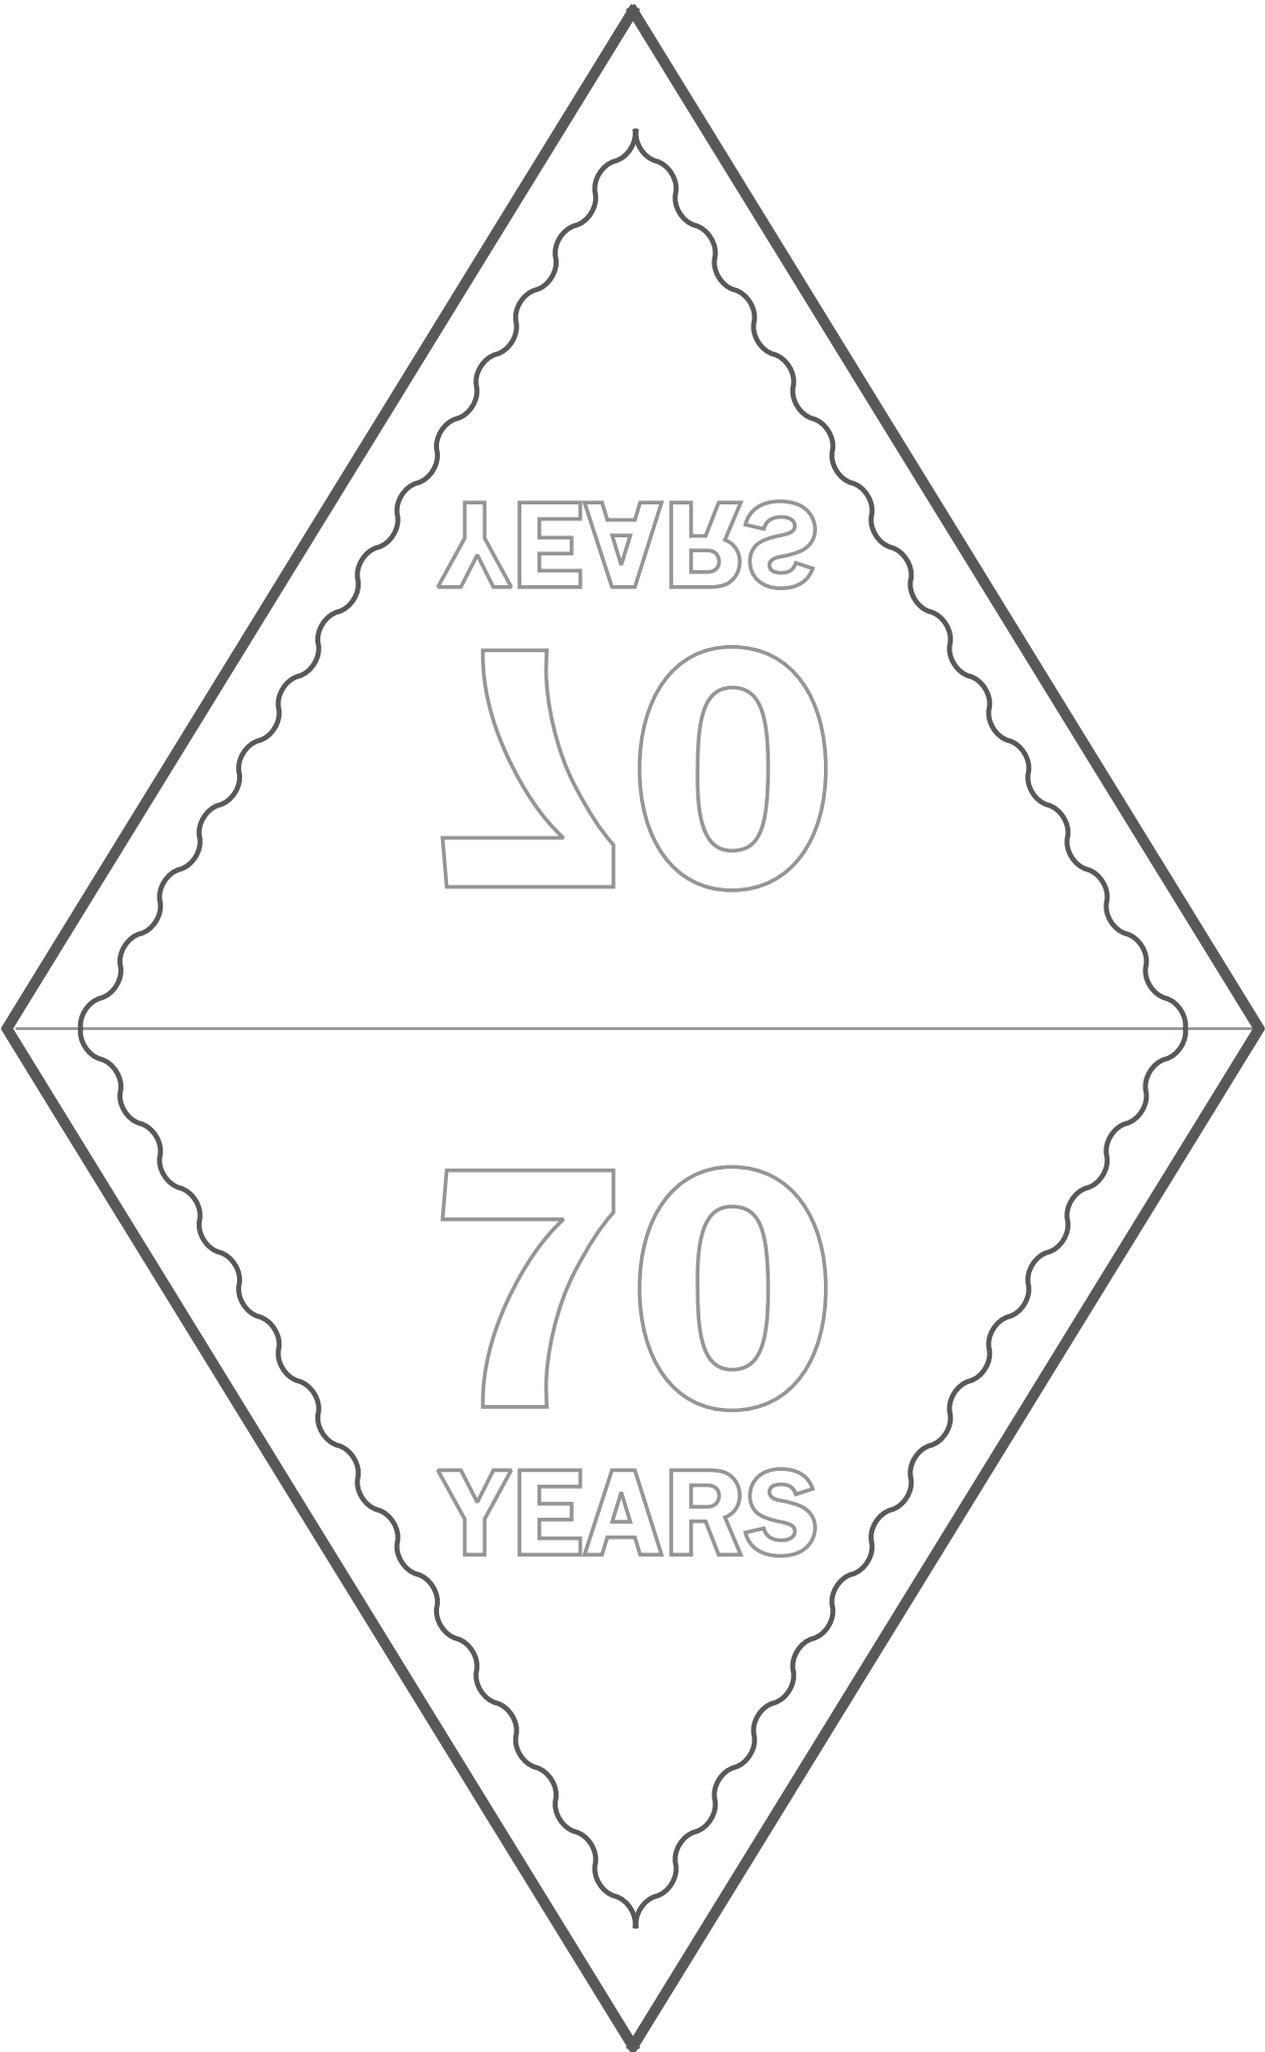

You will need

- Ribbon or string
- A pair of scissors
- A glue stick or double-sided sticky tape
- Any craft items you would like to use to decorate

Steps

1. With your scissors cut out the diamond shaped bunting. Fold each piece in half and use a glue stick to stick the two sides together. Leave a gap at the wider end of the bunting to thread your ribbon or string through.
2. Get creative and decorate!
3. Take your string or ribbon and thread the pieces of bunting through. When you have added all the bunting pieces cut your ribbon/string and tie a knot.
4. You're ready to hang your bunting for your Jubilee celebrations!
5. We'd love to see photos of how you use the bunting - please share your photos on social media and tag @ThriveApproach
